

# Clinton Crime Company

The Clintons are one of the most corrupt families in the United States and they are working with German nobles like the Furstenbergs, the Vatican and Black Nobility and the Clinton noble peerages in the United Kingdom headed up by Robert Edward Fiennes-Clinton the Earl of Lincoln and Gerard Neville Mark Fane-Trefusis the 22nd Baron Clinton and his son Charles Patrick Rolle Fane-Trefusis. The Fane-Trefusis family which are the Barons of Clinton control the Clinton Devon Estates which includes hundreds of homes, properties, and about 17,000 acres in farmland. Hillary Clinton is the head of the Clinton crime family and she is ruthless and murderous. She runs the Democratic party like a mafia boss. Hillary Clinton not only supports abortion but promotes it. Both Hillary Clinton and Bill Clinton were educated at Yale University which is a college established by the British Crown. Bill Clinton was also Jesuit educated from Georgetown University. Hillary Rodham Clinton has English and Scottish ancestry. The Rodham family really take their name from Rodheim, Germany a small town in Hesse under the authority of the Roman Catholic Archdiocese of Mainz and later under the authority of the Eppstein noble family. Jeffrey Epstein is a wealthy financier and pedophile that was convicted of soliciting an underage girl for prostitution. Jeffrey Epstein is friends with Bill Clinton who he flew to Africa in his private jet. The Clintons are also friends with Donald Trump who has donated to their Clinton Foundation and had the Clintons at his wedding with Melania. Trump is close friends with Jeffrey Epstein and can be seen socializing with him on three separate occasions. The Clintons and Trumps still covertly work together and pretend to be enemies as part of the political theater. It has been reported that Bill Clinton has flown on Jeffrey Epstein's jet numerous times. Both Bill Clinton and Jeffrey Epstein are friends with the pedophile Prince Andrew. Bill Clinton also has been exposed for

being a sexual predator by various women. There are a multitude of suspicious deaths involving the Clinton family and many of them were about covering up Bill Clintons affairs and rapes. The Clinton Foundation raised and misappropriated funds for disaster relief in Haiti after the Earthquake in 2010 which also affected the Dominican Republic. Frank Giustra is a board member for the Clinton Foundation and part owner of Wheaton River Minerals which absorbed into Goldcorp. Goldcorp purchased 40% of the Pueblo Viejo mine located in the Dominican Republic near the Haitian border in 2012. The Clinton Foundation used Haiti relief funds as pay offs to get the contracts for the gold mines.

The Clintons work closely with the Furstenberg family which have residences in the United States. Chelsea Clinton is on the board of directors for InterActiveCorp which is a internet media company with the billionaire Barry Diller as the Chairman. Barry Diller is married to Princess Diane von Furstenberg and her son Prince Alexander von Furstenberg is also on the board of directors of IAC with Chelsea Clinton. The Furstenberg family are a Roman Catholic German nobility closely connected with the Vatican. Barry Diller is worth over 3 billion and co-founded Fox Broadcasting. The Clintons are also close friends with the Rothschilds with Lynn Forester de Rothschild donating to the Clinton campaigns. The Pritzker family of Chicago are worth tens of billions and they are Zionists and many are political supporters of the Clintons. J. B. Pritzker is worth over 3 billion, is the current Governor of Illinois and was national co-chairman of Hillary Clinton's 2008 presidential campaign. Penny Pritzker is a billionaire that financed Obama's campaign in order to purchase her position as US Secretary of Commerce under Obama. Hillary Clinton was Secretary of State under Obama. J.B. and M.K. Pritzker Family Foundation donated between 10-25 million to the Clinton Foundation. The Clintons have many suspicious and untimely deaths surrounding them and some estimate they have ordered the assassination of dozens. Some suspicious deaths are of James McDougal, Vince Foster, Ron Brown, and Kathy Ferguson as well as many more. The Clinton's have connections to the Vatican through Bill Clinton's education at Georgetown and also ties to Chicago where Hillary Clinton was originally from. I believe that many of the hits the Clinton family ordered were carried out by the Chicago Outfit. Al Capone was like a co-founder of the Chicago Outfit and a relative of the Florentine House of Capponi which is headed up by Count Neri Capponi today. The Colonna family of Rome and of Alban Hills are the primary owners of the Chicago Outfit and they oversee the Clintons. Barack Obama taught at the University of Chicago to make connections with Chicago Outfit. On top of their body list Bill Clinton authorized the US involvement in NATO's bombing of Yugoslavia which killed at least hundreds of civilians and displaced many more as an attempt to assist the Albanian mafia in taking over there. The Clintons also invited Albanian refugees from Kosovo into the US which included many members of the Albanian Mafia. The clans from Alban Hills like the Colonnas and Chigis in Rome founded and manage Albania. Banca Monte dei Paschi di Siena the oldest continual bank in the world which was covertly created by the Sienese Chigi-Albani della Rovere family has donated to the Clinton Foundation. The Clinton crime family are a highly destructive force on America and the world.

Charles Patrick Rolle Fane-Trefusis is a British noble and a pedophile who is making a payment to this boy in this photo through the Clinton Devon Estates charity.
